AL LERMAN

BLUES & ROOTS

"Harpist Al Lerman is outstanding!"
-Blues Revue (USA)

"Lerman's compositions are, for the most part, quietly unassuming mini-masterpieces. He is an absolute master... every note tempered by experience yet delivered with undiminished energy and enthusiasm. Highly recommended!"
-Blinded By Sound

"For those looking for great acoustic blues, Al Lerman is a must!"
-Rootstime (Belgium)

"One of Canada's finest examples of how good blues harp should be played... and a solid reminder of his skills as a songwriter. Lerman is a hard-working musician who proves himself worthy of his rightful piece of the pie."
-Roots Music Canada

"His brilliant harp creates a classic sound."
-Blues Beat (USA)
